

Kareo Marketing

Shine Online. Connect with Patients.

Kareo Marketing helps you boost your online presence, attract new patients, and connect better with the patients you have already. Growing your practice has never been easier.

Shine Online

What Your Practice Needs → How Does Kareo Marketing Help?

Help new patients find you		Make it easy for patients to find you online, and for you to look good in Google search results.
Find out how you're doing		Get post-visit feedback from patients and put it to use right away.
Promote good reviews		Harness the power of positive reviews to boost your image online and use social media to help spread the word.
Everything you need in one place		See everything from referrals to appointment requests in your easy-to-use "Practice Analytics" dashboard.
Accurate location data		The Online Directory Manager ensures your practice's location information is 100% correct on over 70 internet directories including Yelp and Google.

Connect with Patients

What Your Practice Needs → How Does Kareo Marketing Help?

Automate your front office		Free up your office staff by taking time-consuming scheduling and appointment reminders off their plates.
Easy scheduling		Patients love scheduling appointments online. We'll even send them automated email, text and voice-recorded message reminders.
Streamline your whole office		Syncs automatically with EHR and billing systems to make everyone's job easier. When it all works together, it all works better.
No more no-shows		Send automated email, text and voice-recorded message appointment reminders to your patients and prevent costly no-shows.
Connect with patients		Build patient trust and earn their loyalty with customized reminders for annual physicals, birthday wishes, and more.
Keep everyone in the loop		With "Patient Broadcast" you can let everyone know when you're running behind schedule. Keep the waiting room happy.
